

# End User Web Portal for Power Plant Professionals

GTUsers.com WEB is tailor made for Turbine End Users in order to improve their sharing of experience and to promote best technical solutions. End User web pages are accessible only by End Users belonging to a specific gas turbine Group. We apply Group policies created by the steering committees of each Group. Vendors or OEM's do not have access to end user pages. GTUsers.com is powered by GASRE Oy. **It is free of charge for end users.**

## Features

- ✿ FORUM with SSL security
- ✿ User Data base with encrypted password handling
- ✿ Plant Data base
- ✿ Quality issues database
- ✿ Monthly summary of the discussion topics
- ✿ Feedback form for questionnaires (conference preparation)
