

GTUsers 2024 END USER CONFERENCES

Vendor Packages

End user comment: *Thank you and the steering committee for the Users Conference. I can honestly say that it was the best conference I've been to, both in terms of content and organization. I was particularly impressed with the users' presentations and would be more than happy to participate in that respect in future. GTUsers conferences will be priority 1 in our company.*

1 GENERAL

GTUsers.com organizes Official Conferences for Turbine End Users in order to improve their sharing of experience, provide a continuous and focused dialog between the user community, OEM and ISPs in order to define and develop solutions to operational/maintenance issues. Our conferences are always GT type specific, and they have been recognized throughout the Power Industry as an excellent learning opportunity for users.

In this specification are listed conferences for the year 2024.

Prebooking has started and GTUsers advertisers get this specification prior any other Vendor and have a priority to book a slot.

GTUsers comprehensive sponsors having an annual agreement to support our web services, get 10% discount on conference sponsor rates (not the daily delegate fee/evening reception fee).

Please inform soonest what conference you will join so we can book a space for you.

5 GENERAL INSTRUCTIONS

5.1 Presentation

The presentation should be technical like case study or engineering result or features of new products/repairs and include not too much of commercial aspects.

Presentations are preferred to be supplied 2 weeks in advance so that a dedicated presentation PC can be setup in advance. GASRE will organize a presentation PC and LCD projectors.

5.2 Booth

Vendors can set up their possible booth in the main meeting room or at the coffee area during prior Monday evening reception. The booth can be setup for the whole conference until Thursday midday. GTUsers will organize tables 2-3m long and chairs for the booth. The space of the booth is approx. 3-4m x 2m. If electricity is needed, then this must be agreed on separately with the hotel.

5.3 Brochures and advertisement material

All selected vendors have right to hand over brochures/advertising material to end users. They will also get the list of attendees with contact information.

5.4 Lunch and coffee breaks

Vendors can join the Group lunch and coffee during all days of conference Tuesday-Thursday. Daily Delegate Fee covers the lunches and coffees.
